2. All products must be sold by the F.A.R.M. member, immediate family member or designated employee on behalf of the member with prior notification to the market manager. From time to time an Active member may sell the produce of another Active member after obtaining permission from the market manager on or before sale date. You must submit separate commission slips for each vendor's products.
3. Members must agree to allow the Screening Committee to inspect their farm to ensure all products offered for sale are being grown/produced by the members.
4. Only individuals may apply for Active membership. Co-ops, farms, partnerships, bread bakers, etc. may apply for Special membership.
